PRESIDENT'S GREETING

I want to extend to each of you an invitation to the 11th Annual Richard H. Rothman Lecture on March 11, 2024 at 7:00 p.m. at 625 N. Broad Street. (Please see page 2 for registration information and link).

Dr. Rothman's enduring contributions to the field of orthopaedic surgery have left an indelible mark, and it is our privilege to celebrate his remarkable career and impact on our community. He was a pioneer in orthopaedic surgery and a visionary leader whose influence resonates far beyond the walls of the operating room. Throughout his career, Richard Rothman's dedication to advancing patient care, education, and research set a standard of excellence that continues to inspire us all.

As we reflect on Dr. Rothman's extraordinary life and accomplishments, we remember:

Founding of the Rothman Orthopaedic Institute: Richard Rothman's vision and commitment to excellence led to the establishment of the Rothman Orthopaedic Institute, a beacon of innovation and compassionate care in the field of orthopaedics. His legacy lives on through the institute's unwavering dedication to improving the lives of patients.

Advancements in Total Joint Replacement: Dr. Rothman's pioneering work in total joint replacement revolutionized orthopaedic surgery, offering hope and relief to countless individuals suffering from debilitating joint conditions. His contributions to surgical techniques and implant design continue to shape the future of joint replacement surgery.

Leadership and Mentorship: Richard Rothman's impact extended beyond his surgical skills to his role as a mentor and educator. His guidance and wisdom have shaped the careers of countless orthopaedic surgeons, instilling in them a commitment to excellence and compassionate patient care.

Research and Innovation: Dr. Rothman's passion for research and innovation drove him to explore new frontiers in orthopaedic science. His groundbreaking discoveries and contributions have advanced our understanding of musculoskeletal conditions and paved the way for improved treatment modalities.

It is appropriate that Gerald Williams, M.D., will be our guest speaker. Dr. Williams, former President of the American Academy of Orthopaedic Surgeons (AAOS), will share perspectives and reflections on his tenure as President, offering valuable insights into the challenges and opportunities that lie ahead in the future of orthopaedic surgery.

We look forward to coming together as a community to honor the legacy of Dr. Richard H. Rothman, to gain insights from Dr. Williams, and to reaffirm our commitment to excellence in orthopaedic care, research, and education.

Sincerely,

Joseph Rosenblatt, DO, President

PROGRAM CHAIR'S REPORT

I am excited to introduce our speaker for the Philadelphia Orthopaedic Society meeting on March 11, 2024, Dr. Gerald R. Williams, Jr. Dr. Williams serves as the John R. CALL FOR ABSTRACTS

The Eleanor A. Slanga Resident Research Award

The Eleanor A. Slanga Resident Research Award, was established to recognize excellence in research in the discipline of Orthopaedics. The award is open to all current Orthopaedic residents in programs associated with the Philadelphia Orthopaedic Society. **Original manuscripts not published prior to April 1, 2024 will be accepted for review.**

The resident must be the first author, but not necessarily the only author of the paper. It is expected that the resident will have primary responsibility for the literature review, implementation of the study and final drafting of the discussion section.

The award and stipend (\$500.00) will be conferred at the Annual Resident Bowl on Monday, May 13, 2024.

Abstracts must be received no later than April 1, 2024 to allow adequate time for review. Any abstracts received after April 1, 2024 will be ineligible for consideration.

Manuscripts should be submitted to:

Teri Wiseley, CMM, Executive Director via email to admin@phillyortho.org

Two copies should be submitted.

**One copy should have ALL INSTITUTION AND
AUTHOR INFORMATION REDACTED.**
