PRESIDENT'S GREETING

Dear Colleagues and Friends,

I want to invite you to our upcoming meeting, graciously endowed by the esteemed Dr. Parviz Kambin. On Monday, April 8th, we will remember him and celebrate his enduring legacy.

Dr. Kambin was a Professor of Orthopaedic Surgery and established an Endowed Chair of Spinal Surgery at Drexel University, College of Medicine. He was recognized by the College of Physicians of Philadelphia and artifacts of his work have been exhibited in the Mutter Museum. Dr. Kambin was instrumental in the establishment of the International Society for Minimal Intervention in Spinal Surgery in 1988. He was elected the first president of the society in 1990. He coined the term “minimally invasive spinal surgery” and is credited in the Dorland’s Medical Dictionary with describing the “Kambin triangular working zone”

In addition to Dr. Kambin’s academic endeavours, he was an integral part of the Philadelphia medical community. His commitment to advancing orthopaedic care touched the lives of countless patients in the region, earning him a place of honour among Philadelphia’s medical luminaries.

Highlights of the evening include:

- Our Keynote Speaker: Dr. Han Jo Kim, a distinguished orthopaedic spine surgeon renowned for his expertise in spinal deformity.
- Networking and Collaboration: Connect with fellow members of the Philadelphia Orthopaedic Society and foster collaborations that will drive innovation in orthopaedic care. Share your experiences, exchange ideas, and build meaningful relationships within our vibrant orthopaedic community.
- Commemorating Dr. Kambin’s Legacy: As we mark the fourth anniversary of Dr. Kambin’s passing, we pay tribute to his contributions to the field of orthopaedic spinal surgery. His vision, passion, and dedication continue to inspire us all.

Sincerely,

Joseph

Joseph Rosenblatt DO FAOAO FAAOS

ATTENTION PROGRAM DIRECTORS AND RESIDENTS

For this academic year we are running a new contest! Whichever residency program has the best in-person attendance of residents (based on the percentage of total residents) will win a night out on the Board at a location of your choice!

PROGRAM CHAIR'S REPORT

It is my pleasure to announce our speaker for the 16th Annual Parviz Kambin Lecture, Dr. Han Jo Kim.

Dr. Kim is an attending spine surgeon and Professor of Orthopaedic Surgery at the Hospital for Special Surgery in New York City. He completed his orthopaedic training at HSS, at which point he moved on to his spine fellowship at Barnes-Jewish Hospital at Washington University in St Louis. He is particularly interested in cervical spine, deformity, and scoliosis surgery, and has also spent time overseas delivering orthopaedic care in the developing world. Dr. Kim was selected for the Scoliosis Research Society Travelling Fellowship in 2017, and has published over 200 peer-reviewed articles as well as co-authored a cervical spine textbook.

As the director of the spine fellowship at HSS, Dr. Kim has a passion for education, as well as driving academic medicine forward. He will be speaking to the Society on the optimization of efficiency, safety, and resource utilization in spine surgery that may allow many procedures to be performed in the ambulatory setting.

This will be a unique and thought-provoking talk that can be applied to all subspecialties of orthopaedics, and I look forward to seeing you there!

Christina Gutowski, MD
Cooper University Hospital

RESIDENT ATTENDANCE SCOREBOARD

The program with the best attendance (factoring in total number of residents) will enjoy a night out compliments of the Board.

CURRENT SCORES

PROGRAM	TOTAL RESIDENT	ATTENDEES SO FAR
Cooper	13 total Residents	21 attendees
Einstein	13 total Residents	7 attendees
Jefferson	31 total Residents	48 attendees
Penn	41 total Residents	19 attendees
PCOM	20 total Residents	64 attendees
Temple	21 total Residents	19 attendees

Keep watching for updates in the Newsletters!

APRIL MEETING

Sixteenth Annual Parviz Kambin Lecture

Monday, April 8, 2024

6:00 p.m. Buffet, 7:00 p.m. Program

“Ultra-Enhanced Recovery Pathways Applied to Adult Spinal Deformity Surgery – Can we move to the ASC?”

Han Jo Kim, MD

Professor of Orthopaedic Surgery at the Hospital for Special Surgery

Price: \$65 for Members and Emeritus Members • \$75 for Non-members

Please register online at www.phillyortho.org

Registration deadline Monday, April 1, 2024

Members in good standing who wish to attend via ZOOM, please email

Executive Director Teri Wiseley at admin@phillyortho.org

**RESIDENTS MAY REGISTER THROUGH
THEIR PROGRAM COORDINATORS**

UPCOMING EVENT

May 13, 2024

24th Annual Snyder/Gregg Resident Bowl

Program Facilitator – Christina Gutowski, MD

LAST CALL FOR ABSTRACTS

The Eleanor A. Slanga Resident Research Award

The Eleanor A. Slanga Resident Research Award, was established to recognize excellence in research in the discipline of Orthopaedics. The award is open to all current Orthopaedic residents in programs associated with the Philadelphia Orthopaedic Society. **Original manuscripts not published prior to April 1, 2024 will be accepted for review.**

The resident must be the first author, but not necessarily the only author of the paper. It is expected that the resident will have primary responsibility for the literature review, implementation of the study and final drafting of the discussion section.

The award and stipend (\$500.00) will be conferred at the Annual Resident Bowl on Monday, May 13, 2024.

Abstracts must be received no later than April 1, 2024 to allow adequate time for review. Any abstracts received after April 1, 2024 will be ineligible for consideration.

Manuscripts should be submitted to:

Teri Wiseley, CMM, Executive Director via email to admin@phillyortho.org

Two copies should be submitted.

One copy should have ALL INSTITUTION AND AUTHOR INFORMATION REDACTED.

RESEARCH SYMPOSIUM

The Greater Philadelphia Orthopaedics Research Symposium for Medical Students

**Friday, April 12, 2024 • 5:30pm – 8:00pm
at Cooper University Hospital Conference Center**

Medical students will enjoy an evening of poster presentations, networking, and Q&A with local orthopaedic faculty and residents.

Any attendings or residents who are interested in participating should contact Dr. Gutowski: gutowski-christina@cooperhealth.edu for more information.

We hope to see you there!
